Technology

Tim has over 30 years of experience in corporate finance, securities and business law, healthcare, insurance, and mergers and acquisitions.

Prior to joining McGinnis Lochridge, Tim held senior executive positions in the healthcare industry, where he oversaw hospital, clinical and insurance operations for a major health system. His work also included evaluation and development of joint venture opportunities and strategic alliances. Tim also served as president and a member of the Board of Directors of American Physicians Service Group and served on the Ascension Seton Board of Trustees.

Tim is a Certified Public Accountant and spent the first four years of his career as an accountant in an international accounting firm.
